

What's the true cost of education?

Take a quick inventory on what you are already spending on your child's education today. We think you'll be as surprised as we were!

Books & supplies	<input type="text"/>	CLA Parent Example	\$50/mo
Music lessons	<input type="text"/>		\$240/mo
Athletic programs	<input type="text"/>		\$50/mo
2nd language programs	<input type="text"/>		\$200/mo
Tutoring	<input type="text"/>		\$200-\$300
After school care	<input type="text"/>		\$200-\$400/mo
Special Ed	<input type="text"/>		\$250
Missed work	<input type="text"/>		I can't think about it!
Total per month	<input type="text"/>		\$1,245
Total (x 9.5 months)	<input type="text"/>	\$ 11,827.50 \$ 14,155 (Special Ed)	

Fun Facts:

- We're often told that public schools are underfunded.
- The spending figure cited most commonly is \$8,322 /child.
- Total spending is close to \$25,000 / child nationally.
- Test scores are proving our kids are rapidly falling behind.
- Getting into your college of choice is increasingly competitive.

The cost of Private Schools:

Private High School costs from \$17,000 to \$35,000 a year nationally. After looking at tuition near and far from home, you'll find that considering private day school in our area of the country is an affordable option that can ensure your child's future. Take a look at how we stack up.
